Laugh Lines

Here are some corny bird puns that are so funny, you won't be able to stop raven about them! Don't egret missing these!

Someone has been robin banks lately. The police need help to quack the case.

Did you hear about the woodpecker who found some really firm bark? It was im-peck-able.

A restaurant tried adding pelican burgers to its menu, but the meal's big bill ruffled some feathers.

My friend was keeping a sick bird in his house, but then he was told that it was ill eagle.

The neighbors asked me to watch their pet parrot while they were on vacation, but it was too much of a bird-en.

Watching chicks hatch is so egg-sighting!

Toucan play at this game! Can you think of any bird puns?
